

# Floor Standing

Touch Control

Totally Enclosed  
Air Outlet Blades Design

Ultra Long-distance  
Remote Control

## 3D Airflow

It Distributes a stream of air to a wider area by combining vertical And horizontal auto-swing.

## Tropical Working Condition

Awal General Super Tropical working condition from  $-7^{\circ}\text{C}$  to  $60^{\circ}\text{C}$ .

## Three Dimensional Air Inlet

It makes the wind flow out more smoothly, and makes a higher heat exchange rate and efficiency.

## Long Distance Airflow

The large air outlet and six large wind guide blades enable an airflow distance up to 20m.
